Odbiornik Jeti REX 7 SLIM ASSIST [JDEX-RR7S-A]

Cena	741,35 zł
Dostępność	Dostępny
Kod producenta	JDEX-RR7S-A
Kod EAN	20104906
Producent	JetiModel

Opis produktu

This type of receiver of the REX SLIM series with 7 servo outputs. The receivers are specially designed for planes with a very small fuselage. Their compact dimensions suit all pilots who are limited by space in the model (eg F3J, F5J, etc.). This type of receiver is in the version with JETI ASSIST stabilization support.
